

RFP NU-FR-01
Flood-Damage Assessment Services

ADDENDUM 01
ISSUED 9-10-20

In accordance with Article 4.14 of the above-referenced RFP, Proposers are to acknowledge this Addendum No. 1 item:

1.0 Brief Tour of Damaged Facilities

Owner will make damaged facilities available to Proposers for a brief tour on Friday, September 18th, 2020 at 10:00 am EDT. Attendance is non-mandatory. Proposers wishing to attend should assemble in the parking lot near the Northwood University Physical Plant building at 4000 Whiting Drive, Midland, MI 48640 on day and time of tour. Proposers wishing to attend please notify the Official Point of Contact prior to day and time of tour. Note that no questions affecting the potential services required by the RFP will be answered during the tour – any inquiries must be submitted in writing in accordance with Article 4.8 of the RFP.

Official Northwood University Point of Contact:

Mr. David Bender
Northwood University Director of Asset Management
4000 Whiting Drive.
Midland, MI 48640
(989) 837-4374
